

Breakout Session Day 2: 1:00 - 3:00 pm

Embracing Life: *Northern Saskatchewan Working Together*

Guiding Questions

Community Action Planning

1. List the resources available for reducing suicide that currently exist in your community.

2. List 3 things that you think need to happen NOW to prevent or reduce suicide.

Breakout Session Day 2: 1:00 - 3:00 pm

3. What are the challenges to getting people/organizations to work together in your community and how do you address these challenges?

Put a () beside 3 that you think are priorities.*

4. What practical things/tools do you need to help reduce the number of suicides and prevent suicide attempts in your community?

5. How will you and or your organization commit to continuing to work on health promotion and preventing suicide in your community? What can be done to ensure this work will succeed and will be sustainable or long lasting?
